## SWAN CHRISTMAS FESTIVITIES

Christmas came early for the team this year when we gathered to share a Christmas meal at a nearby Italian restaurant. We had plenty of Christmas cheer and feasted on some mouth-watering dishes. Together, we celebrated our accomplishments and shared holiday wishes with each other over a delicious set menu which included fresh pasta, risotto and succulent chicken. The food was truly delightful! It was definitely a Christmas get together like no other and one that will be remembered fondly by us all.

It was great to get everyone together for an hour of laughter and friendly competition - and, at the end of it all, Team B were the lucky winners!

Everyone had a great time, making this Christmas event one that won't be forgotten any time soon.

# Throwback to 2019

Three years ago this month was a truly memorable day! We were so thrilled to take part in 'The Great British Clean Up' with the brilliant Lynsey Crombie, as well as some of our fantastic influencers. Our team roamed the streets of London, affording people the opportunity to win one of our stunning BRAND NEW Powerplush Cordless Vacuums. It was an amazing event and we couldn't be more pleased that everything went as planned. It provided many people with much-needed tools for cleaning their homes, and it's clear that it had a decisive impact on the cleanliness of London at the time. Swan definitely created a storm that continues to have positive effects even now!
